Full size workbook - "Recovery for Life" is a program that is designed to offer people with mental illnesses and emotional problems the choice of recovery. Recovery can be a life-long journey for many. SC SHARE seeks to enhance this journey by offering the Recovery For Life Program where participants can learn necessary recovery skills in small group settings. These workbooks are developed to be the guide for these groups. Recovery, however, goes beyond what can be written in a book. The human connections within the groups will serve to provide the hope, energy and support we need to reach our highest potential.

Mini workbook - is a collection of 26 topics about recovery. SC SHARE has developed this book as a continuation of the 10-lesson Recovery For Life Program. If you meet with your group, this book will cover a full year of meetings.

Please mail payment and this form to: **SC SHARE • Recovery For Life 427 Meeting St. • West Columbia, SC 29169**
